This rider guarantees income for life. It is available to issue ages 0-75 on policies that use the guideline premium test and allows the owner to receive monthly policy disbursements if certain conditions are met:

- death benefit option must be Option A
- other riders must be terminated
- existing policy loans must be paid
- policy value must be at least \$5,000
- 10 years have passed since the most recent increase in the policy specified amount
- Request must be made between the dates shown on the policy schedule
- No benefits may have been paid from any rider, including the Accelerated Death Benefit rider.

When disbursements begins, a percentage of the account value will be deducted and the owner must irrevocably choose one disbursement option:

- Level—cash flow payments will remain level for life
- Increasing—cash flow will increase 3% each year
- potentially increasing—cash flow may increase or remain unchanged depending on S&P 500 Index performance
