# Accelerated Underwriting Guidelines

## Accelerated Underwriting (AUW) and Exam Requirements

Upon completion of the application, arrangements should be scheduled to fulfill underwriting requirements indicated in the chart below. When using the chart, please note the following:

### Age

All age calculations should use the age last birthday

### Amount of Coverage

- To calculate the amount of coverage used in determining underwriting requirements, add up the total amount of life coverage applied for on this application and pending, including term riders, plus other insurance in force with Assurity over the past two years and excluding any group insurance, Acci-Flex Accidental Death, and Simplified Whole Life.
- Personal history interviews will be required on cases above \$500,000.

**NOTE:** These limits are subject to change at any time. Assurity reserves the right to require a medical exam and/or other medical requirements on any applicant.

## Accelerated Underwriting

Accelerated Underwriting from Assurity streamlines the application, underwriting and approval process. Our unique approach reduces processing time by quickly identifying which applicants can move straight to policy issue and which may require underwriter review or more traditional medical underwriting.

With Accelerated Underwriting, all applicants are considered for approval decision at time of application without further underwriting; not all will qualify. Any factor from the application information or third party data sources could contribute to an approval decision not being available at the time of application. However, Accelerated Underwriting seamlessly transitions those applications into a more traditional underwriting process for the same product with the same available premium classes.

## Exam

- In the Accelerated Underwriting and Exam Limits Chart, "Exam" means paramedical exams.

- Applicants through age 65 applying for benefit amounts above \$2,000,000 are required to have visited a physician within the last two years; Assurity will obtain medical records. If the applicant has not visited a physician within the last two years, Assurity may require a medical exam with a physician at the underwriter's discretion.
- Applicants above age 65 applying for benefit amounts above \$500,000 are required to have visited a physician within the last two years; Assurity will obtain medical records. If the applicant has not visited a physician within the last two years, Assurity will require a medical exam with a physician.
- If a TeleApp is completed, or if all questions on the application are completed, Assurity can waive the paramedical exam and use an abbreviated exam in which the paramed records height, weight, blood pressure and pulse.

### Urinalysis (UA), Blood Requirements (BLD) and Electrocardiogram (EKG)

- If required, included in paramedical exam.

### Authorized Paramedical Firms

Our authorized paramedical firms have the examination forms, containers and blood draw kits in stock.

For significant medical health histories or if the applicant has been declined previously, contact the new business contact center at (800) 869-0355, Ext. 4264, prior to scheduling an examination.

Paramedical firms authorized by Assurity are as follows:

American Paraprofessional Systems, Inc. (APPS)	(800) 967-1499
